Your do's and don'ts for the next 30 days.

Ten rules built from your own trades: 52 trades (Apr–May 2025). Each rule shows your number today and a target for the month. Your full analysis is on your dashboard. Keep this page where you trade.

✓ Do

1. Keep each position at $22,000 or less.

Why: Positions up to $22,000: +$4,899. Larger ones: −$7,835.

Now **$29,537 average** → Target **$22,000 or less**

2. Let planned winners reach your exit.

Why: 12 of 26 winners were closed under +10%.

Now **46% of wins under +10%** → Target **under 31%**

3. Stay with what you know best.

Why: SOL made +$2,484 over 15 trades; your results are strongest where you trade most carefully.

Now **3 names traded** →
Target **fewer, familiar names**

4. Pause entries in the Evening (6pm on) window.

Why: 17 trades here, 29% of them profitable, −$17.2K net.

Now **Not yet a habit** → Target **every trade**

5. Decide your maximum loss per trade before you enter.

Why: Your largest loss was −$7,513, about 4.6× an average win.

Now **−$7,513 largest loss** → Target **$1,600 or less**

✕ Don't

1. Don't hold a losing position past −8%.

Why: 12 positions went past −8% and cost −$31,562.

Now **12 positions** → Target **0**

2. Don't size up after a good month.

Why: After Apr's profit, May size went from $26,075 to $36,077 and the month closed at −$7,940.

Now **$36,077 in May 2025** →
Target **same size all month**

3. Don't trade again the same day after a loss.

Why: 7 times you entered again the same day after a loss; those trades lost −$3,049.

Now **7 same-day re-entries** → Target **0**

4. Don't keep trading through a losing streak.

Why: Your longest run was 6 losses in a row, costing −$11,894.

Now **6 losses in a row** → Target **stop after 3**

5. Don't trade more often than your plan allows.

Why: You averaged 8.5 trades a week between 3 Apr and 16 May.

Now **8.5 a week** → Target **8 or fewer**

These rules are about your habits, drawn only from your past trades. They are not tips on what to buy or sell.

Your 30-day scorecard.

Your number today and the target for each habit. At your check-up, upload your new statement to see how each one moved.
